

Pride of Craftsmanship Creates Pride of Ownership

Clasco is a rare combination of people and facilities dedicated to a single purpose. The maintenance, restoration and improvement of America's Classic Coach.

Just as the GMC motorhome was unique in the motorhome industry, Clasco is unique in the GMC community. Here you will find capable people, creative products, and the pursuit of perfection these irreplaceable machines deserve.

From a minor tune up to a complete body off frame restoration, we have the skill to perform every task in an efficient, craftsmanlike manner. We understand your GMC!

We have made a major investment in facilities and people to establish the finest and most complete GMC work shop in America.

We would welcome your call or visit to our plant and showrooms in Orlando, Florida.

CMC

MECHANICAL

Whether for routine maintenance, or a complete overhaul, we have the ability to make your GMC as reliable as the day it was new. Because we specialize in GMC's we understand their peculiarities. We have the skill and the parts necessary to perform all repairs efficiently and economically.

CABINETRY

Clasco maintains a complete cabinet shop and mill.

EXTERIOR

In addition to painting we can completely renew the exterior of your GMC. It is the small items, window rubbers and felts, medallions, and other details which distinguish a paint job from a truly restored coach. Clasco has many obsolete parts in stock. From bumpers to taillights, hub caps to roof rack, we'll make your GMC new again.

SHIPPING

We maintain thousands of parts and accessories exclusively for your GMC motorhome. We have remanufactured many items which have been unavailable for years. We ship daily throughout the world to GMC owners. Most orders are processed on the day received. All items purchased are fully refundable if, for any reason, they do not suit your needs. Credit cards are cheerfully accepted.

INTERIOR

Clasco has complete upholstery and interior facilities. Whether a new headliner, carpet, or a complete interior remodeling, Clasco can perform.

The emphasis is on improved function as well as beauty. We can make the entire interior of your GMC motorhome far prettier and far more functional. Clasco takes pride in pleasing even the most demanding customers.

BODY

As time has taken its toll the exterior of most GMC's are badly showing their age. Many of the colors originally used by General Motors date the exterior. We take particular pride in our ability to truly refinish and renew your GMC.

We use the latest technology in base coat-clear coat exterior refinishing and new soft modern colors. The result is a fine high gloss finish found on today's luxury automobiles.

We have the proper templates and patterns to precisely fit your coach. Because our cabinet makers are truly skilled and GMC knowledgeable, we manufacture cabinetry products and accessories that greatly improve the usability of your coach. All are of furniture maker quality and far superior to the originals.

RAFTSMANSHIP

PARTS

We have a complete display of GMC parts and accessories and a showroom of totally restored coaches. Browse at your leisure. You will find hundreds of items and ideas unique too Clasco, designed just for your GMC to make it more beautiful and practical.

ACCESSORIES

Mechanical, exterior, and interior parts are in stock. We are quite happy to supply you with all the items necessary for you to do your own work, and courteous and knowledgeable assistance. If you are planning to restore your coach yourself a visit to our facility is a must.

TONY

Customer service is not a cliché at Clasco. We are genuinely anxious to help you solve your GMC parts problems and questions. Our people are technically competent and take a sincere interest in you and your GMC. We will happily restore your coach for you or supply the parts and give you advice on how you may accomplish it yourself.

We want to be your first choice for all of your GMC parts requirements. A call to Clasco is a solution to the problem.

KELLY

Quality people are the key to the success of any business. At Clasco we are particularly proud of our staff. The best people create the best products and at Clasco we are fortunate to have them. Each craftsman in his skill is the finest available. We employ group management and team leadership. Every Clasco employee is an active partner in our progress.

JIM

Our success depends solely on your satisfaction and we know it.

We promise never to promise you anything we cannot do. We promise fair pricing, honest analysis, professional design and decorating advice, and reasonable and accurate delivery dates. Whether a minor question or a major parts order, we will treat you with the attention and service that you as a GMC owner deserve.

LINDA

The GMC community is a small one and we know how important our reputation is amongst the members of that community.

We welcome the opportunity to earn your confidence, loyalty and respect.

QUALITY

You may choose from hundreds of styling, fabric and color options. We can renew your GMC from drapes to dinettes and sun visors to sofa.
